Description

Red Dragon is more than just a yacht—it's an experience. With world-class amenities, a dedicated crew, and a perfect blend of excitement and relaxation, she offers the ultimate escape for those looking to create unforgettable memories on the water. Whether you are setting sail for far-flung destinations or simply soaking in the beauty of a secluded bay, Red Dragon delivers the journey of a lifetime.

With an extraordinary cruising range of 4,900 nautical miles, Red Dragon is built for long-haul exploration in ultimate luxury. Her expansive decks offer the perfect setting for both relaxation and entertainment. Start your day with a sunrise yoga session, enjoy an al fresco breakfast on the main deck, or soak up the sun on plush loungers.
